| Side Single (Nearside) | - | - | 1.81mx.72m/5'11"x2'4" | - | - | - |

Bed Sizes: Please note that double bed sizes at front are quoted with wrap round seating.

The front double bed width for a layout with chest fitted will be reduced by 0.4m (1'4") from that stated.

Awning Sizes: Due to the varying awning designs and sizes the awning sizes given are approximate only.

Weights: For 2012 models the method of calculating the MRO and payload figures has changed. Allowances for essential equipment (e.g. gas cylinders) previously allowed for in the payload are now within the MRO. The provision for a leisure battery has been included within the personal effects payload allowance.

Features

Key Features:

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations.
- 2.31m (7'7") wide body shell.
- 1.95m (6'5") headroom.
- Roof capping rails intergrated with front and rear panels.
- Panoramic front roof window integrated with automotive style roof locker system with LED down lighters and speakers.
- Full height front with wide door made with strong closed mould GRP.
- One piece, 5000 series marine grade aluminium white sidewalls
- Alde radiator central heating and water heating with daily programming
- EN1645 Grade 3 classification for heating and thermal insulation. (Cold chamber tested).
- Extra strong, thermally efficient 32mm thick fully bonded walls and roof.
- Wheel arches insulated with high density foam to prevent cold spots in storage areas.
- Profiled side skirts in tough self coloured UPVC with integrated awning channel.
- Semi-recessed awning channel on both sides.
- Two TV stations with 230V, 12V and aerial sockets (model specific)
- LED lighting system with fluorescent ambient over-locker lights and LED task lights.
- Design front chest of drawers with slide out extending top.
- Six 230V Sockets including two in compact new front shelf "binacle"
- Granite effect kitchen sink with integrated occasional drainer and removable extension drainer.
- Low height built-in microwave oven with controls.
- Internal fresh water tank with additional external pump for filling or direct feed to taps. 30 litre capacity.
- NEW** Luxury Impala Fabric Scheme.
- NEW** Bed make-up system with slats retained on track.

Equipment:

- User friendly 12V control panel with battery selection, battery state meter, lighting, water tank level (Twin axle models) and water pump circuit controls set in moulded housing with key shelves.
- NEW** Tank Fill selector.
- Locker mounted eye level power supply unit and power management for easy access.
- 175 litre fridge/freezer in twin axel models with metallic finish, electronic ignition and digital controls.
- 107 litre fridge in single-axle models with metallic finish, electronic ignition and digital controls.
- Thermostatic oven and separate grill.
- Dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition and flame failure protection.
- Glass hob lid with safety cut-out feature.
- High flow rate in-board pump with chrome finish brass taps for reliable, high performance water supply.
- Inboard semi-rigid fresh water pipes.
- Isolation taps for gas appliances.
- Large bore underslung rigid waste pipes.
- 25 Amp switch mode charger/transformer.
- Solar panel connection provision.
- External coax connection point for aerial or satellite dish.
- Status 530 directional Digital/Analogue TV/FM aerial and booster.
- Radio / CD / DVD / MP3 player with iPod/MP3 player connection.
- Wardrobe light.
- 25 metre mains hook-up cable.
- External 230V mains socket.
- NEW** Ultra Flow Waterline (Mains Water Supply).
- NEW** Back up To ALDE System.
- NEW** Twin Satellite Socket.
- NEW** Awning Light Remote on Key Fob.

Exterior:

- A.T.C. (Active Trailer Control)
- AL-KO side-lift jack.
- AL-KO galvanised steel chassis with Euro-Axle.
- AL-KO Euro over-run device with two-way assisted handbrake.
- AL-KO AKS 3004 stabiliser.
- Shock absorbers for a smoother more stable ride.
- Heavy duty corner steadies.
- Chrome plated extending leg steady covers
- 13-pin 'Jaeger' 12V car connector.
- Latest generation rear light clusters
- Low level front marker lights to minimize dazzle in towcar mirrors.
- Rain water deflector incorporating brand badge.
- Step-on hitch cover for access to cleaning front roof.
- Lighting in under floor storage area on internal wall. (Fixed bed models only)
- BBQ point.
- Truma automatic change over regulator.
- Larger entrance door - 45mm (2") wider and 80mm (3") taller with interior moulded liner, window, blind and new larger capacity door waste bin.
- 'Storm' exclusive alloy wheels.
- Spare wheel (steel) and underslung carrier.
- Exclusive shape double-glazed opening windows with night ventilation position.
- Exterior access battery box with satellite aerial inlet and mains electric inlet (battery not included).
- External access door under front nearside seat.
- Large external access door under fixed beds (Model specific).
- Winter fridge vents.
- LED awning light.
- Entrance step.
- 44mm 'sandwich' floor with pre-treated plywood and Styrofoam insulation core.
- Strong redwood body and floor framing specially treated to resist moisture and fungal attack.
- NEW** Paintseal protection to exterior Panels.

- Slide-out storage rack.
- Chrome effect shelving to kitchen area.
- Moulded cutlery drawer on smooth steel runners.
- Chrome finish brass mixer taps, separate shower taps, shower head with riser bar.
- Detachable garment rail.
- Lined washroom cubicles in all models.
- Granite-look washroom basin. (Model 495 and 525)
- 32mm thick lightweight washroom door with metal domestic style handle.
- Thetford C250 toilet with 18 litre wheeled holding tank.
- Heated towel rail. (495, 525, 565, 570 & 625 only)
- Roman blinds to washroom window.
- NEW** Paintseal Protection to scatter cushions.
- NEW** Retainer bars to vanity cupboard
- NEW** Speakers to washroom area.
- NEW** Additional downlighter to washroom.
- NEW** LED down lighters set in plinth over kitchen lockers.

Safety and Security

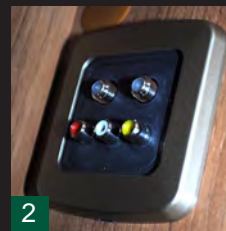

- Higher tyre ratings - a minimum of 150Kg extra load margin at 130 kph (law permitting).
- Passive infra-red alarm system with tilt sensor and key fob operation.
- Smoke Alarm.
- NEW** Carbon Monoxide alarm.
- CRIS identity number etched to windows and caravan construction.
- Concealed security data chip within caravan chassis.
- High security entrance lock.
- Hankook branded tyres for improved performance and safety

Warranty and Guarantee Cover

All Swift Group caravans have a 6 year body shell integrity guarantee and a 3 year SuperSure manufacturer's warranty from the date of purchase (or hire purchase), which are subject to a chargeable annual service, inspection and moisture survey ("Annual Service") being carried out at an authorised SwiftGroup Service Centre. Original VAT invoices must be retained as proof of Annual Services being carried out.

1. Sargent Power Supply
2. Twin Satellite Points
3. Control Panel

4. Carbon Monoxide Alarm
5. Gas Changeover
